

### **Privacy policy**

We appreciate you visiting our Fortis Wind Energy website and your interest in our products and services. We take the privacy of our website users very seriously. We ask you to read this Privacy Policy carefully as it contains important information about how we will use your personal data. If you have any questions about this privacy policy please contact us at [info@fortiswindenergy.com](mailto:info@fortiswindenergy.com) or on +31505515666 before using this website. We may change this privacy policy from time to time by updating this page. We recommend that you should check this page from time to time to ensure you are happy with any changes. However, if these changes have a relevant impact on the way we process your personal data, we will inform you.

### **Personal data we may collect about you**

We may collect and process data about you. For example, we will obtain your personal data when you purchase products or services or visiting conferences / events / exhibitions and meeting potential clients. We may also obtain sensitive personal data about you if you volunteer it during the completion of an online form on our website. If you volunteer such information, you will be consenting to our processing it for the purpose of providing our products and services to you. We will only store your personal data for as long as required for the intended purpose of the data collection.

### **Marketing communication**

If you have given permission, we may contact you by email, telephone, SMS, about our products, services, and special offers that may be of interest to you. If you prefer not to receive any direct marketing communications from us, you can opt out at any time. We do not provide your personal information to external organisations (i.e. to contractors, merchants, distributors and retailers, which are outside of Fortis Wind Energy) for their own direct marketing in relation to Fortis Wind Energy products and services without your explicit consent.

### **Linking to other websites**

Our website or marketing email messages sometimes include links to other third party websites which are not within our control. Once you have left our website/marketing email message, we cannot be held responsible for the content of these third party websites or the protection and privacy of any information which you provide to those websites. You should exercise caution and look at the privacy notice / policy applicable to the website in question.

### **Tweet button by Twitter**

We have installed a 'Tweet' button on our Website that is operated by the social network Twitter Inc., 750 Folsom Street, Suite 600, San Francisco, CA 94107, USA ("Twitter"). You can recognize the blue bird logo on the button. If you click our Webpage with this logo, your browser will connect directly with the Twitter server, and the content of the Tweet button will be transmitted directly to your browser and integrated into your Tweet. Fortis Wind Energy thus has no control over what information the Tweet button collects. We believe that your IP address will also be recorded. Please visit <http://twitter.com/privacy> for more information on the purpose and scope of Twitter's Privacy Policy, how Twitter collects and uses this information, your rights, and how you may protect your privacy by modifying the settings. If you are a registered user of Twitter services and do not wish to have such information transmitted, you must log out from your Twitter account before visiting our Website.

### **Web analysis service**

This website uses Google Analytics, a web analytics service provided by Google, Inc. Google Analytics uses “cookies”, which are text files placed on your computer, to help the website analyse how users use the site. The information generated by the cookie about your use of the website (including your IP address) will be transmitted to and stored by Google on servers in the United States. Google will use this information for the purpose of evaluating your use of the website, compiling reports on website activity for website operators and providing other services relating to website activity and internet usage. Google may also transfer this information to third parties where required to do so by law, or where such third parties process the information on Google’s behalf. Google will not associate your IP address with any other data held by Google. You may refuse the use of cookies by selecting the appropriate settings on your browser, however please note that if you do this you may not be able to use the full functionality of this website. By using this website, you consent to the processing of data about you by Google in the manner and for the purposes set out above.
